TELEPHONE INTERVIEW SUMMARY

Examiner Truong called applicant's representative, Scott Richardson, on January 18, 2008 and suggested that, after evaluating the pending claims, the application would be allowable if dependent claims 2-6 were incorporated into independent claim 1 by amendment, and commensurate amendments were made to independent claim 13 as well.

In this Amendment dependent claims 2-5 and some of the features of claim 6 are incorporated into independent claim 1. Similarly, dependent claims 14-17 and some of the features of claim 18 are incorporated into independent claim 13. It is respectfully submitted that the claims are now allowable in view of these claim amendments.

CONCLUSION

In view of the foregoing, it is believed that the application is in condition for allowance. However, in the event there are any unresolved issues, the Examiner is kindly invited to contact applicant's representative, Scott Richardson, by telephone at (571)970-6835 so that such issues may be resolved as expeditiously as possible.
